~~SECRET COMINT CHANNELS SIGS 347~~

FOR M18 AND CV

1. NUI DAT HAS BEEN SUBJECTED TO 3 ROCKET ATTACKS IN THE  
LAST 24 HRS. NO DAMAGE OR INJURIES TO OUR PEOPLE. WOULD  
APPRECIATE WIVES BEING INFORMED.

2. SSL. SINCE 22 FEB, WE HAVE RECEIVED 1 MORTAR ANF 4 ROCKET ATTACKS.

<sup>A</sup>ALL OF THESE HAVE MIRACULOUSLY RINGED SSL. INTODAYS  
ROCKET ATTACK, 4 ROCKETS, JUST CLEARED OUR AERIAL FIELD  
AND HIT NORTH WESTERN SLOPES OF NUI DAT HILL, ROCKETS  
COMING FROM THE NORTH NORTH WEST. IN VIEW OF THIS FAKT,  
AND THE RELATIVE UNEASINESS OF THE SSL OPERATORS,  
I HAVE NO CHOICE BUT TO IMMEDIATELY SUSPEND FURTHER TESTS

UNTIL, THE BLAST WALL IS BUILT AROUND THE VAN.

38 A

3. ENGRS WILL ACCEPT THIS AS A PRIORITY JOB, SO SHOULD BE BACK UP  
IN SAYYS TO 6 DAYS, ALTHOUGH WRE MAY BE SATISFIED WITH  
RESULTS THEY NOW HAVE, SINCE WE ARE ABOUT 3 DAYS SHORT OF A FULL  
4 WEEKS RESULTS. IN ANY EVENT, DURING STAND-TO, NO  
STEEGAGE CAN BE EFFECTED AS SET ROOM IS NOT USUALLY  
MANNED.

4. EVEN IF DECISION IS MADE NOT TO PUT SSL OPERATIONAL, BLAST WALL  
WILL SERVE TO KEEP EQPT RELATIVELY SAFE DURING THIS, SOMEWHAT  
UNSETTLING, PERIOD. I HAVE BEEN ADVISED BY PROCESSING  
STAFF THAT HO CHI MING IS ALIVE AND LIVICG IN HOA LONG,  
AND AM READY TO BELEIVE IT. REGARDS
